Simbáng Gabi

PLEASE NOTE

1. Current guidelines should allow for a reception as in previous years. Leaders, please consult with your pastors regarding any restrictions that may still be in place at your respective parishes.
2. In the Archdiocese of Chicago, permission has been granted to sing the Gloria during all of the Simbáng Gabi Masses, even those that fall on a Sunday of Advent.
3. In the Archdiocese of Chicago, permission has been granted for white vestments to be used on the weekdays of the novena. But, for Masses that will count for the Sunday obligation, the proper Advent color is to be used.
4. With regard to number 3, for Masses starting at 4 p.m. or later on Saturday evenings during the novena and ALL day on Sundays during the novena, the proper Mass for Sunday is to be celebrated. The Sunday celebration takes precedence over any weekday celebration. For example, on a Saturday evening, the Mass must be a vigil Mass for the particular Sunday. Likewise, on a Sunday evening, the Mass texts and readings must still be for the Mass of Sunday and NOT the Mass of the next day.
5. There are no Anticipatory Vigil Masses for the week of Advent. For example, it is not allowed to celebrate the Mass of December 16 on the evening of December 15. The same applies throughout the novena.
6. Even though some Christmas hymns may be sung during the novena, we are still to maintain the spirit of Advent and not to make any day of the novena equal to or greater than a Christmas Mass.
7. When choosing a presider for the Mass, it is best to start with the pastor of the parish. If he allows another priest to be the presider and/or homilist, please observe the following:
 - a. Choose a priest who has the proper faculties with the archdiocese. Priests who belong to the Archdiocese of Chicago are automatically given faculties.
 - b. Some religious order priests may not have been granted complete faculties by the archdiocese so please verify this and request that the proper documentation (Letter of Good Standing) be sent. The priest himself should know the proper channels by which to request this letter. Please include a copy of this letter with your registration form or submit it two weeks prior to the start of the novena.
 - c. Priests from other dioceses also need to request a Letter of Good Standing. Please include a copy of this letter with your registration form or submit it two weeks prior to the start of the novena.
 - d. Below is a current list of Filipino priests who already have faculties in the Archdiocese of Chicago (this does not include some of the religious orders). Please give consideration and realize that it will be difficult for all Filipino priests to make themselves available for all requests and invitations.
